HOFFMAN Extra Quality Seeds... Dependable for Better Crops Since 1899

HOFFMAN **SUDAN GRASS**

If there's any kind of a haycrop failure on your place this spring, here's something to help overcome it . . . Planted in the early summer (maybe 30 lbs. per acre) Sudan grows fast. Comes through dry spells in fine shape. Doesn't ask for rich soils - grows most anywhere. See Catalog for details.

HOFFMAN SEED CORN

The best-liked varieties (outside the G-Hybrid family) and in top quality. The great old favorite 'Lancaster County Sure Crop" - a fine doublepurpose corn, for husking and silage. Leads all others of the regular open-pollinated corns.

Here is also the "Long's Champion Yellow", "Golden Queen", "White Cap Yellow", "Early Yellow", "Improved Learning", and the late White Ensilage

All have many friends. Users will be highly pleased with this seed quality. Order promptly!

HOFFMAN RYE GRASS

Sales are enormous. Great for a cover-crop. Sown in cornfields at last cultivation. Often put on the potato field or truck patch. Provides fine cover. Stops erosion.

LADINO . . . Great new clover. Doing a wonderful job. Refer to our catalog. Get acquain ted with Ladino.

Genuine Pleasure and Satisfaction!

Plus EXTRA Profit - because of big yields. That's the 6-year record of Funk G Hybrid among thousands of Hoffman customers. Join this pleased group. Plant this fine Funk G Hybrid seed. Grow your BIGGEST corn crop this year, when it counts!
